FIG. 5B

100

Top view of a substrate 102 with a grid of circular openings 104. Two vertical arrows labeled 7 indicate the direction of light incident on the substrate.

A cross-sectional view of a substrate 100. The substrate has a wavy internal texture. On its top surface, there are four protrusions, each labeled 106. The protrusions are connected to the substrate by thin, curved stems.
